**Dear Parent,**

**END OF SECOND TERM NEWS LETTER 2017/2018 SESSION**

To God be the glory for seeing us through to the end of this term. We also thank you for your continuous prayers and support.

It is important to bring to your notice that as you peruse through the 2<sup>nd</sup> term result to kindly go through the child's **overall performance before the position**. The child's subject by subject and general average describes the actual performance, while the position shows the class competition among the students. We plead with parents whose children are having academic challenges in selected subjects to create time to discuss the performance with the College Principal.

**NEWSWORTHY ITEMS:**

**RESUMPTION DAY**

Resumption for 3<sup>rd</sup> term is on **Saturday 5th May, 2018**. Resumption time: **10 am- 4 pm**. We encourage parents to bring the students on time.

Please note that **we do not** receive students on **Sundays**. Resumption on week days (Mondays to Fridays) is **3pm-4 pm**, while resumption on Saturdays is 10am to 4pm.

**SCHOOL FEES RELATED MATTERS**

We are aware of the economic difficulties being experienced by parents of our students, and we share their pains. We pray for the release of Divine financial breakthrough. We appreciate parents that are prompt in the payment of their children's school fees. We pray that God will continue to bless and increase your finances.

As we plan for resumption, we encourage parents to kindly pay the school fees on or before **4th May, 2018**, using only the school's customized bank teller.

Please be informed that **the school will not allow any child to resume if the outstanding fee (s) and at least half of the third term school fees are not paid. For the avoidance of doubt, a quick check will be done at the school gate before students will have access into the school compound.**

Find added to the amount in one of the tellers is the medical bill for students that went to the clinic for medical treatment.

Parents of students in **JSS3 and SSS3** are to note that **only one teller** is issued to your child against the customary two. We expect the teller to be paid on or before **4th May, 2018**.

**The school Head of Accountant may be reached through 08036001113 pertaining school fees related issues.**
