**END OF FIRST TERM (2017/2018) NEWSLETTER**

Dear Parent,

We bring the season's greetings to you. We thank God for bringing us to the end of this term. We return all glory to Jesus Christ for His grace, mercy, protection, provision and providence. We also thank you for believing in us. It is our prayer that the good Lord will keep giving us the wisdom and the resources to train our children as our hearts desire in Jesus' name. Here are some vital information for your perusal and necessary action.

**RESUMPTION DATE AND TIME**

- Students are to resume on the **6th January, 2018** from **10:00 am – 4:00 pm**. Parents are encouraged to kindly respect the timing because the **school gates will be closed by 4:00 pm and no student will be allowed in after wards.** Please note that there shall be no admittance into the college on Sunday. **Week-days (Mondays–Fridays) resumption is between 3:00 pm and 5:00 pm.**
- We expect all students to resume in their approved school uniforms (compound wear), using the correct school dressing code. We do **not** expect any student to resume wearing any form of slippers. **All male students are to resume wearing very low haircut. Any student that violates the above instructions will not be allowed into the school.**
- Second term duration: **6th January 2018 to 14th April 2018**

## **FINANCIAL NEWS**

**SCHOOL FEES:** All outstanding fees including the 2nd term school fees are expected to be paid before **6th January, 2016**. We encourage parents to pay the **2nd term school fee as detailed in the teller**. Parents that cannot pay the two tellers at once should pay at least one of the tellers and pay the 2nd teller on or **before the mid-term break**.

We wish to restate that you are to make the school fee payment using the school customized bank teller issued to your child(ren) and the school copies are to be returned to the Bursary on resumption day.

Kindly note that it is criminal to cancel/alter the amount written on tellers and replace with unauthorised amounts. Payments made using bank tellers not issued by the school will not be recognized by the Bursary.

**The school Head of Accountant may be reached on 08036001113 pertaining school fees related issues/clarifications.**

**POCKET MONEY:** It is mandatory for all students to have pocket money deposited with the Bursary Department. The school releases **N500:00** per week to each student from their pocket money account in order to meet some minor school needs. The exception to this are **resumption and visiting weeks**. We only disburse pocket money to students who were not visited on such occasions.

Since we operate a twelve-week term and disburse **N500 per week** to each student, it implies that **N6000** is needed as pocket money per term. The students spending profile for the term is contained in the pocket money statement-of-account found online in your child's portal. Parents are encouraged to check the balance of their children and add the differential to make it a minimum of **N6000 balance**.

**PTA Termly Levy:** We write to remind you of the need to come along with the sum of **N1500** being payment for PTA dues and students' welfare

scheme. This is a termly payment payable to designated PTA officials on resumption day.

**PTA Chairman's Number: 08028845068**

### **E-RESULT/DOCUMENTS**

Parents are to access the term's result, behavioural report and pocket money statement of account and caution fee statement-of-account via the college website [www.jickaduna.com.ng](http://www.jickaduna.com.ng)

The procedure is as follows:

- **Enter college website:** [www.jickaduna.com.ng](http://www.jickaduna.com.ng)
- **Click** on result portal
- **Username:** Student's school number
- **Password:** Parent's phone number (the phone number that was registered with the college)
- **Click** the result button on the information you want to access
- **Save** the document(s) in your device or print the document(s) if you desire to retain them.

Should you experience any difficulty in accessing any of our e-documents, kindly contact any of the following staff:

Mr. Charles Adedoyin 08136184913, 07057668260 or

Mr. Elams Ishaya 07068271400, 07014424614

### **ACADEMIC MATERIALS**

Parents are to ensure that relevant materials/ textbooks recommended by the school are provided for their children. Also, parents are to ensure that their children resume with their previous notebooks to enhance better learning and performance.

## **WELCOME TEST ASSESSMENT**

The Welcome Test is part of the continuous assessment for second term and it begins on the **8th January, 2018**. You are therefore advised to ensure the prompt resumption of your child, because the school **will not give any make-up test to those who resume late**, except for cases of ill-health which must be backed up with a medical report. Parents are urged to ensure that children create time for study while at home on Christmas and New year holiday.

## **UNIFORM**

Some female students have been observed to be wearing skirts that are above their knees. Please be informed that skirts sewn out of specification will not be tolerated. Similarly, some male students have also been noticed to be wearing tight fitting trousers or trousers above the ankles and some trousers are not of the school recommended colour. Parents are to ensure that their children resume with appropriate uniforms.

The recommended shoes for classes are any pair of black shoes with flat soles (complete cover shoe).

## **WAR AGAINST INDISCIPLINE**

We plead with all parents to discuss the need to shun all ungodly behaviour such as **bullying, extortion, stealing, carelessness, dirtiness, disrespect to constituted authority/ school rules and regulations** etc. The college will not tolerate any form of indiscipline. Any student found wanting will be severely dealt with in love.

## **PROVISIONS REQUIREMENTS**

Students must resume with the following provisions;

<b>S/N</b>	<b>PROVISIONS</b>	<b>MINIMUM QUANTITY</b>	<b>MAXIMUM QANTITY</b>
1	Tin of Milk	2	3
2	Tin of Bournvita or Ovaltine, or Milo	2	3
