

Dear Parents,

3RD TERM 2016/2017 MID-TERM LETTER

To God alone be glory, honour and adoration for His providence and divine protection. We sincerely recognize your support and cooperation even at very difficult moments.

FINANCIAL NEWS

We salute your effort for striving very hard to meet the financial obligations of our students, especially as it affects the payment of school fees despite the economic hardship being experienced by all and sundry. It is our continuous prayer that our good Lord will meet you at the points of your needs.

We are constraint to remind parents with outstanding school fees to please pay before resumption for the second half (**17th June 2017**) of the term. May God continue to open more doors of financial favour. Please be informed that clearance will be done at the gate and **only cleared students will be allowed into the premises.** We plead for your kind understanding in this regard.

SCHOOL FEES DISCOUNT

Please be informed that management has extended to **2017/2018** session the **school fees discount** opportunity of **10 % (per session)** granted to parents with more than three children and **5 % discount** (per student) to parents that paid the school fees at once for 2016/2017 session.

2017/2018 SUPPLEMENTARY ADMISSION EXERCISE

We write to notify you that our supplementary entrance examination for the 2017/2018 session to fill the few vacancies that exist in JSS1, JSS2, JSS3 and SS1 comes up on 8th and 15th July 2017, by 8:00am.

We thank you for advertising and introducing our school to prospective parents in need of quality education. We are indeed grateful for you believing in us. We will continue to work harder to surpass your expectations and make this school your dream school always.

HAIRCUT AND PROPER TROUSERS STRICTLY FOR ALL MALE STUDENTS

All male students are to resume with very low haircut and no male student is expected to return with any form of pencil trousers. Only our uniform material is acceptable.

We call on you to ensure that your child returns back to school well-dressed right from home.

The students are to wear their buckled sanders and **not slippers**.

CALL FOR CONCERN

We admonish our dear parents to complement the school effort by not to relenting in talking to the students on the need for them to always be at their best behaviour in and outside the school. The need to shun social vices such as stealing, extortion, bullying, ungodly relationships etc should be emphasized.

Parents should preach the need for students to genuinely love one another. Let the children see and realize the need to bring laurels home and not shame as a result of suspension or expulsion from school. The college is working very hard in introducing more activities that will improve the spirituality of our students.

We request parents to closely monitor the activities of their children while at home. There are a lot of influences outside the school that are capable of neutralizing the effort of building God fearing children and damping the pride of parents for not having Godly children.

TAKE HOME ASSIGNMENT

Find attached to this newsletter are mid-term take home assignments for the students. The take home assignment will form the integral part of the welcome test that begins on **19th June 2017**.

We plead that you ensure that while the children rest, they also make very good use of the break by studying at home.

TEXTBOOKS FOR 2017/2018

We appeal to you to start sourcing for the needed text book for 2017/2018 session. This is very important as it will enhance the children's preparation for the new class and session. You can visit the college website to assess the recommended books.

The college has concluded arrangement with relevant publishers, parents that are interested in the school supplying all the required textbooks and workbooks should contact the Vice-Principal Academic through 0803-414-6334.

SS1 SCHEME OF WORK FOR OUR PRESENT JSS3 STUDENTS

As part of our pro-active effort, we have introduced our present JSS3 students to the SS1 scheme of work while we await the commencement of the state JSCE. The introduction will afford the student the opportunity to have good idea of the task ahead of them and cause them to be academically stable when they resume in September 2017. While we acknowledge parents input in the career choice of their children, we encourage parents of JSS3 students to allow the student choose department of their choice base on their ability and interest.
